- An absolute sale feature here. The influential donor behind this mating is one of the most highly regarded and proven females within the breed and now resides in Nebraska with newly acquired partner Hoffman Ranch. Thomas Patricia 9705 is the dam of numerous AI sires and herd bulls including KCF Bennett Summation, KCF Bennett Optimizer, KCF Bennett Fortress, KCF Bennett Immense, KCF Bennett Citation, and KCF Bennett Assent, as well as the \$65,000 2020 Foundation Female that was selected by 44 Farms in Texas. While maintaining a calving interval of 364 days, this prolific matriarch generated a track record of 5@100 BWR, 5@109 WWR, 5@109 YWR, 60@101 IMF, and 60@101 RE. The young dynamic sire of this mating is KCF Bennett Exponential, the \$119,000 selection of ST Genetics at the Spring 2020 Knoll Crest Sale and the initial reports on his earliest offspring indicate that he will see heavy use in some of America's most well respected programs.

- Embryo implanted on 12/16/2020. Pregnancy carried by a registered Balancer female.
